The Essex Community School District will once again be participating in a Summer Nutrition program. In this program, summer meals will be delivered directly to your home, and there will be no in-person meals at the school.

Meals are provided at no cost to you, and there is no qualification process. Participation in the program is not based on income, and all children ages 0-18 years old may take part in the program.

The program will run from June 7, 2021 to August 13, 2021, with breakfast and lunch provided Monday-Friday. Friday's meals will be delivered on Thursday, along with Thursday meals, and there will be no delivery on those days. No delivery will occur on July 5<sup>th</sup>. Delivery will occur between 11 am and noon, with slight variations depending on weather, or other elements outside of our control.

School employees will deliver your meals, and personal information will be protected by the school. We will not share any unauthorized information with people not qualified and/or deemed necessary to have such information.

We are excited about this opportunity to provide meals to families. If you have any questions please reach out to Mrs. Pam Allumbaugh, Child Nutrition Director. She can be contacted at [allumbaughp@essex.k12.ia.us](mailto:allumbaughp@essex.k12.ia.us) or you may leave a message at the school at 379-3114, ext. 20.

If you would like to participate in the program, but you are going to be out of town, or having a varying schedule of days you would like meals delivered, please reach out to Pam Allumbaugh.
